

Do you have a child who is in day care?
With the Growth Package, Parentia gives you a financial boost.

What is a day care supplement?

The day care supplement is a supplement for each child that attends a day care centre recognised by the Flanders community in which the fee is not determined by your family income. You are entitled to a fixed amount for each day your child attends the day care.

- For a day with an attendance of 5 hours or more you are entitled to 3,29 euros (amount applicable on 1/4/2021)
- For a day with an attendance of at least 3 hours but less than 5 hours ore you are entitled to 3,29 euros (amount applicable on 1/4/2021)

You will receive the day care supplement for a given month around the 20th of the following month:

What do you have to do?

- If you are **already** receiving a **Growth Package**, you **don't have to do anything**. The day care centre will inform us of the days your child attended. The day care supplement will automatically be paid.
- If you **do not yet receive a Growth Package** because you don't live in Flanders but your child does attend a day care centre recognised by the Flanders community which has a fixed attendance fee? Then be sure to return us this application completely filled out and signed via vlaanderen@parentia.be. You prefer to send the form by post? Then send your application form to P.O.Box 80030 in 1070 Anderlecht.

Please also inform us if the number of days attended is incorrect or if your child begins to attend kindergarten
