Subject: payment of your Groeipakket (child benefit) to an account

Dear

If you wish, we can pay your Growth Package on a non-Belgian bank account. That is safer, faster and usually also cheaper than an international mandate. You can request more information from your bank.

The Growth Package is paid to the person who has been appointed by the beneficiaries among themselves or to the person who replaces them in the family.

So you decide together into which bank account the Growth Package will be deposited. This can be a joint account or an account in the name of one of you. If you do not agree, the Growth Package will be paid to the youngest.

With the enclosed form you can provide us with the account number. The second part (2. Declaration of the financial institution) must be completed by your bank

If you do not return the document to us, the Groeipakket (child benefit) will be paid by an international mandate.

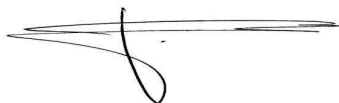

For additional information, you can reach us on weekdays, preferably between 9.00 am and 12.00 noon, or make an appointment.

Would you like to send us a document? Please send a photo or scan via our contact form (<https://www.parentia.be/en-VL/contact>) or by e-mail to vlaanderen@parentia.be.

Do you not agree with the decision? You can find all the information about filing a complaint and appeals at www.parentia.be/beroepsprocedures. You can also receive this information in writing if you wish.

For general questions about the Groeipakket and family administration, you can also visit our website at www.parentia.be.

Best regards,

Your Parentia team
